FIRST AID POLICY

All preschool staff must have a valid standard first aid certification including infant and child cardiopulmonary resuscitation (CPR)

Our first aid kit:

- Complies with the Health and Safety (first Aid) Regulations.
- There is a complete first aid kit in each classroom and gymnasium
- Is regularly checked by a designated member of staff and re-stocked as necessary.
- Is easily accessible to adults.
- Is kept out of reach of children.

At the time of admission to the school programs, parents' written permission for emergency medical advice or treatment is sought. Parents sign and date their written approval.

All parents will be notified when any accident or incident occurs that could affect the health, safety or well-being of their child and be provided with a copy of the incident report.
